sMS-1000SQ D	Same as above but with Digital output	€ 4 790
sMS-1000SQ A	Same as above but with Analog output	€ 4 790
sMS-1000SQ WE	Windows Server 2012 R2 with AudiophileOptimizer pre-installed	€ 4 999
Options	sCLK-EX clock for Digital or Analog output	€ 999
	sCLK-EX clock for USB output	€ 999
	ODD Drive for ripping	€ 199
	4TB Hard drive for storage	€ 199
SDP-1000EX	combination DAC and preamp that supports up to 32bit/384khz and DSD playback, fully balanced design that is battery powered for the lowest possible noise floor	€ 3 999
SPS-1000	Linear power supply for sMS-1000, sDP1000 and mBPS-d2s	€ 1 299
SPS-1000 CAPS	Linear power supply for sMS-1000, sDP1000 and mBPS-d2s	€ 1 499
SPA-1000	Full Balanced Class-D Amplifier 200W/4 Ohm per channel	€ 4 999
ADVANCED SERIES II		per piece
sMS-200 Neo NEW	New generation mini network player dedicated ARM processor board developed for audio only purpose Roon Ready, MPD, DLNA, SqueezeLite, .. Software player PCM 32bit/384KHz, DSDx64, DSDx128, DSDx256 Ultra low Jitter clock, Ultra low noise Regulator 1 x High-End audio grade USB port/2 USB port	€ 549
sMS-200 Ultra Neo	New generation mini network player with the super clock !	€ 1 399
sMS-200 Ultra Neo NEW	Same as above but with master clock 50 or 75 Ohm dedicated ARM processor board developed for audio only purpose Roon Ready, MPD, DLNA, SqueezeLite, .. Software player PCM 32bit/384KHz, DSDx64, DSDx128, DSDx256 Ultra low Jitter clock, Ultra low noise Regulator 1 x High-End audio grade USB port/2 USB port	€ 1 599
tX-USUltra	USB regenerator	€ 1 199
tX-USUltra MC NEW	Same as above but with master clock 50 or 75 Ohm	€ 1 399
SPS-500 NEW	Power supply designed specifically for high performance audio. Unique technologies for noise cancellation and sound enhancement 7Vdc, 9Vdc, 12Vdc and 19Vdc selectable output voltage 50W option, Y-cable (standard/Silver)	€ 599 + 129/499€
ADVANCED SERIES I		per piece
sHP-100	Combined USB DAC & High performance headphone amplifier, USB, Coaxial, Optical and Analog input, Headphone and analog output. 24bit/192KHz PCM and DSDx64, x128 playback trough multi core RISC processor by XMOS TI LME49720 & TPA6120A2 OP-AMP output	€ 699
dX-USB HD	high performance DDC that can upgrade the sound of PC. Through USB, convert the signal of maximum 24bit/192KHz to high quality AES/EBU, Coaxial, Optical output. USB audio class 2.0 asynchronous interface. Using extra battery power (sold separately) & etc, you can hear the best sound you've been wished for.	€ 549

sCLK-2224	Super Clock uses a SOtM designed ULNR (Ultra Low Noise Regulator) and high performance components like Evox RIFA capacitors, PPS film chip capacitors, discrete device and audio grade op-amp's to provide a superior digital audio signal	€	599	
mBPS-d2s	battery power supply for dX-USB HD and etc Using two batteries equipped inside, it provides power constantly without extra charging. Also, thanks to carefully selected components inside for sound tuning, it refines the sound of the connected device. Battery output voltage : 6.5Vdc ~ 8.4Vdc Output voltage Range : 6Vdc ~ 9Vdc / Current : 1.5A	€	549	
tX-USBexp	PCI express USB 3.0 host card that designed to enable the best USB audio performance. PCI express x1 Gen 2 interface. Support super-speed, high-speed, full-speed, and low-speed It is also equipped with an external power input terminal best audio performance connected to the high-performance external power supply battery pack	€	449	
tX-USBhubIn	2 ports USB hub for the best USB audio performance USB power on:off switch/ External power input	€	449	
tX-USBhubEx	Same as above but external version	€	449	

ACCESSORIES per piece

SATA II filter	noise filter that upgrade PC sound by blocking noise from HDD, ODD & SSD	€	70	
SATA III filter	noise filter that upgrade PC sound by blocking noise from HDD, ODD & SSD	€	75	
FAN filter	noise filter that upgrade PC sound by blocking noise from CPU Fan & system Fan	€	30	
eABS-100	EMI absorber sheet	€	150	

USB Cables dCBL-U2 per piece

DCBL-U2-C(0.5m)	Solid copper USB cable 0,5 meter	€	499	
DCBL-U2-C(1m)	Solid copper USB cable 1 meter	€	599	
DCBL-U2-C(1.5m)	Solid copper USB cable 1,5 meter	€	799	
DCBL-U2-C(2m)	Solid copper USB cable 2 meter	€	899	
DCBL-U2-C(0.5m)	Stranded silverwire USB cable 0,5 meter	€	599	
DCBL-U2-C(1m)	Stranded silverwire USB cable 1 meter	€	799	
DCBL-U2-C(1.5m)	Stranded silverwire USB cable 1,5 cm	€	999	
DCBL-U2-C(2m)	Stranded silverwire USB cable 2 meter	€	1 099	

with USB powersignal + 20%

LAN Cables : dCBL-CAT6 per piece

dCBL-CAT6(0.5m)	High-end audio grade SFTP cable Fully shield	€	199	
dCBL-CAT6(1m)	High-end audio grade SFTP cable Fully shield	€	249	
dCBL-CAT6(2m)	High-end audio grade SFTP cable Fully shield	€	299	
dCBL-CAT6(3m)	High-end audio grade SFTP cable Fully shield	€	349	
dCBL-CAT6(4m)	High-end audio grade SFTP cable Fully shield	€	399	
dCBL-CAT6(5m)	High-end audio grade SFTP cable Fully shield	€	449	
dCBL-CAT7/ISO	High-end audio grade SFTP cable Fully shield + Noise Filter 1,5m	€	599	

ISO-CAT6	Lan Isolater	€	449
