Eunhasu edition	Roon Server			
sMS-1000SQ D	Same as above but with Digital output	€	4 799	
sMS-1000SQ A	Same as above but with Analog output	€	4 799	
sMS-1000SQ WE	Windows Server 2012 R2 with AudiophileOptimizer pre-installed	€	4 999	
Options	sCLK-EX clock for Digital or Analog output	€	999	
	sCLK-EX clock for USB output	€	999	
	ODD Drive for ripping	€	199	
	4TB Hard drive for storage	€	199	
sDP-1000EX	combination DAC and preamp that supports up to 32bit/384khz	€	3 999	
	and DSD playback, fully balanced design that is battery			
	powered for the lowest possible noise floor			
sPS-1000	Linear power supply for sMS-1000, sDP1000 and mBPS-d2s	€	1 299	
sPS-1000 CAPS	Linear power supply for sDP1000 and sMS-200/ultra..	€	1 499	
sPA-1000	Full Balanced Class-D Amplifier 200W/4 Ohm per channel	€	4 999	
	ADVANCED SERIES II		per piece	
sMS-200 Neo	New generation mini network player	€	549	
	dedicated ARM processor board developed for audio only purpose			
	Roon Ready, MPD, DLNA, SqueezeLite, .. Software player			
	PCM 32bit/384KHz, DSDx64, DSDx128, DSDx256			
	Ultra low Jitter clock, Ultra low noise Regulator			
	1 x High-End audio grade USB port/2 USB port			
sMS-200 Ultra Neo	New generation mini network player with the super clock !	€	1 399	
sMS-200 Ultra Neo MC	Same as above but with master clock 50 or 75 Ohm	€	1 599	
	dedicated ARM processor board developed for audio only purpose			
	Roon Ready, MPD, DLNA, SqueezeLite, .. Software player			
	PCM 32bit/384KHz, DSDx64, DSDx128, DSDx256			
	Ultra low Jitter clock, Ultra low noise Regulator			
	1 x High-End audio grade USB port/2 USB port			
tX-USBultra	USB regenerator	€	1 199	
tX-USBultra MC	Same as above but with master clock 50 or 75 Ohm	€	1 399	
sPS-500	Power supply designed specifically for high performance audio.	€	599	
	Unique technologies for noise cancellation and sound enhancement			
	7Vdc, 9Vdc, 12Vdc and 19Vdc selectable output voltage 50W			
Special Order 2 weeks	Option sPS-500 + DC cable Stranded 7N UPOCC copper	€	749	
Special Order 2 weeks	Option sPS-500 + DC cable Stranded 7N UPOCC Silver	€	799	
Special Order 2 weeks	Option sPS-500 + DC Y cable Standard copper	€	749	
Special Order 2 weeks	Option sPS-500 + DC Y cable Stranded 7N UPOCC copper	€	999	
Special Order 2 weeks	Option sPS-500 + DC Y cable Stranded 7N UPOCC Silver	€	1 099	
sCLK-OCX10	Master Clock Generator	€	4 199	
	The sCLK-OCX10 is a master clock generator that produces			
	a pure analog 10 MHz sine wave.			
	four BNC outputs, and it can be used simultaneously			
	50 ohms or 75 ohms.			
mT-1000	Audio grade power strip	€	1 799	
	The mT-1000 uses a unique noise reduction technique, a specially-			
	shaped filter block installed around the power line.

ADVANCED SERIES II		per piece	
sNH-10G	High End Audio Network Switch	€	999
sNH-10G/sCLK-EX	High End Audio Network Switch with sCLK-EX clock installed	€	1 799
sNH-10G/sCLK-EX M	same as above but mith Master Clock Connector 50/75 Ohm option	€	1 999
sNH-10G upgrade C	Upgrade with Evox Caps/eABS/Copper Wire	€	249
sNH-10G upgrade S	Upgrade with Evox Caps/eABS/Silver Wire	€	299

ADVANCED SERIES I		per piece	
sHP-100	Combined USB DAC & High performance headphone amplifier, USB, Coaxial, Optical and Analog input, Headphone and analog output. 24bit/192KHz PCM and DSDx64, x128 playback trough multi core RISC processor by XMOS TI LME49720 & TPA6120A2 OP-AMP output	€	699
dX-USB HD	high performance DDC that can upgrade the sound of PC. Through USB, convert the signal of maximum 24bit/192Khz to high quality AES/EBU, Coaxial, Optical output. USB audio class 2.0 asynchronous interface. Using extra battery power (sold separately) & etc, you can hear the best sound you've been wished for.	€	549
sCLK-2224	Super Clock uses a SOtM designed ULNR (Ultra Low Noise Regulator) and high performance components like Evox RIFA capacitors, PPS film chip capacitors, discrete device and audio grade op-amp's to provide a superior digital audio signal	€	599
tX-USBexp	PCI express USB 3.0 host card that designed to enable the best USB audio performance. PCI express x1 Gen 2 interface. Support super-speed, high-speed, full-speed, and low-speed It is also equipped with an external power input terminal best audio performance connected to the high-performance external power supply battery pack	€	449
tX-USBhubIn	2 ports USB hub for the best USB audio performance USB power on:off switch/ External power input	€	449
tX-USBhubEx	Same as above but external version	€	449

ACCESORIES		per piece	
SATA II filter	noise filter that upgrade PC sound by blocking noise from HDD, ODD & SSD	€	70
SATA III filter	noise filter that upgrade PC sound by blocking noise from HDD, ODD & SSD	€	75
FAN filter	noise filter that upgrade PC sound by blocking noise from CPU Fan & system Fan	€	30
eABS-100	EMI absorber sheet	€	150
